To Whom It May Concern

Global Business Bridge (Pvt) Ltd has been providing us maintenance & trouble shooting, part replacement, services and have been supplying spare parts for our high rise building 8 elevators installed in Mega Tower/HBL Tower Headquarter at Khayaban-e-Iqbal Karachi.

We found the company, technical team & commercial team highly professional, committed and responsive. The technical team is properly qualified having deep knowledge of their product, taking their job and task seriously to the level of our satisfaction. The team has been cooperative and responsive whenever we needed them in any situation.

We happily recommend Global Business Bridge (Pvt) Ltd for new elevator installation as well as for maintenance services.
